Deep series recessed waterproof ceiling downlight

DK/EU-3103-BK · Deep series recessed waterproof ceiling downlight

POWER **10 W**	VOLTAGE **220 V**
PROTECTION **IP65**	DIMENSIONS **82 × 45 mm**
FINISH **Black**	WARRANTY **3 years**
EAN **3831166000316**	

GLARE-FREE
The LEDs are recessed in the body, so the light does not dazzle.

Deep - a series of built-in waterproof lamps made of polymer for a replaceable lamp. Slim outer bezel accentuates the minimalist design. The large-diameter matte diffuser diffuses light well, and its placement in the recess of the luminaire body reduces glare. The series is ideal for wet areas. The lamp is not included. For this series, we recommend ultra-thin SLIM LED modules as a light source, the installation depth is only 50 mm.
