FINISH	Black
WARRANTY	3 years
EAN	3831166003843

SMART CONTROL
Control it from the app or from a wall panel.

The compact in-wall DENKIRS panel combines multiple functions in one: an intuitive touch interface, a lighting scene control center, and a full-featured gateway for Bluetooth and Zigbee devices. Thanks to compatibility with the Tuya Smart / Smart Life mobile app, you can control your smart devices from anywhere in the world. The panel installs into a standard electrical box, requires no additional hardware, and seamlessly blends into modern interiors.

OVERALL DIMENSIONS, MM

PART OF DENKIRS SMART

220 V, no driver

The track connects straight to the mains. No driver to size, no transformer to hide.

Four installation types

Surface, suspended, recessed in plasterboard — or SMART ONE for stretch ceilings.

Pairing, not wiring

Remotes, wall panels and the app connect over Bluetooth, Wi-Fi or Zigbee — no control cables to run.
