A **reflection paper** is an essay that requires you to express your opinion on a topic. In the paper, you will analyze and reflect upon how a book, experience or academic lecture shaped your thoughts and opinions on a subject.

STACK:

A reflection paper is an academic work that can express your thoughts and observations on a particular subject. This type of document can communicate your ideas and emotions linked to an experience or a text. Typically, it's more formal than a journal article and less than a business report. These reflections describe how a specific topic has affected your opinions.
