COMMUNIQUE OF THE ISLAMIC UNITY OF AFGHANISTAN MUJAHIDEEN

"Their intention is to extinguish God's
Light (by blowing) with their mouths;
But God will complete (the revelation of)
His Light, even though the unbelievers
May detest (it)." (The Holy Quran)

Dear Afghan Mujahideen, believers and fighters of the cause of Truth! Symbols of courage, heroism and steadfastness! Respected sisters who lost husbands, sons and brothers in the Way of Allah! Dear orphans! Heroic prisoners! Oppressed refugees! and lovers of Islam living out of Afghanistan!
Assalamu Alaikum wa Rahmatullah wa Barakatuh!

It is a wellknown fact that strive and struggle between the Truth and falsehood has contimued ever since the creation of humanbeings on earth. It is our firm believe that this struggle will go on and those who follow the path of the truth will become victorous at the end. ("And at the end is (best) for the righteous.")

With this believe in mind, the Islamic movemnt in Afghanistan has worked for the truth for a long time. It has been able to strike strong blows to the falsehood since the time of Zaher Shah's wretched reign. It has been so inspite of all the problems and hardships it faced. It even inflected heavy casualties on the invading Russian troops after their aggression.

But the enemies of Islam have never halted their efforts and plotting conspiracies against us. As nowadays, the agents from the East and West try hard to conduct new efforts to throw their last broken arrow to the fort of Islam. But Insha-Allah (God Willing) it will hit the forehead of the enemies themselves and their plot will fail. With the grace of Allah, the current struggle in Afghanistan is a pure Islamic Jihad led by sincere Muslim leaders. It is neither on the basis of tribal or clan affiliation nor foreign elements have any role in it.

The corrupt enemy agents, however, at the order of their masters, try their best to install new puppets of imperialism into power, or at least to divert the course of our Islamic revolution and strengthen the pillars of the Russian imperialism. At the international level,

they try to hide the true nature of our Jihad--which is Islamic. Sometimes they allege that American, Chinese and Egyptians are fighting in Afghanistan. Some other times, they refer to our Islamic Jihad as tribal warfare and call us rebels and insurgents. By such propaganda they want to produce anxiety among the people and problems in the course of Jihad.

Inside Afghanistan Russian puppets and western agents try to form regional or ethnics bands hoping to divide people on thede basis. They also try to introduce our Islamic Jihad as national uprisal and to limit the scope of Jihad to traditional and non-religious matters. Sometimes they try to accuse and defame the Islamic movement and its leaders and to creat division and differences among them. And when they fail in their attempts, they try to prepare the ground for the return of old-time criminals and corrupt rulers.

The meeting that will be held in Quetta on Sunbula 29, 1360 (Sptember 20, 1981) is one of such enemy plots and conspiracies. This so called "Nation Gathering" is the result of endeavors of a number of corrup, unpatriotic and hypocrat elements. Holding such a meeting is a spiteful offense to the Charter of the Islamic Unity of Afghanistan Mujahideen which was designed by honorable Ulama (religious scholars) and approved by the Islamic organizations of Afghan Mujahideen. The real purpose of this meeting seems to be to creat obstacles on the way of the recent Islamic Unity which is the sincere desire of the whole Afghan nation. It is also the purpose of this meeting to fool some simple-minded people by baseless propaganda, lead them astray and make the conditions ready for their own corruption and infidelity. Some elements who work for organizing this so called "National Council" are wellknown as enemies of Islam, triators, unpatriotic, and servants of imperialism. Some have even defended the communist elements in Zaher Shah's parliament, and during 8 years in that parliament, not even once opened their speeches by "Besmellah." And some of the organizers of this "council" headed Daud's so called Loya Jerga (Grand Assembly) and held ministerial posts in the past corrupt governments. How can they become Muslim Mujahideen and defenders of the Islamic Jihad today?

Considering these facts, therefore, the [redacted] Council of the Islamic Unity of Afghanistan Mujahideen--which consists of the following 5 Islamic groups who shoulder the true leadership of the present Jihad and revolution in Afghanistan:

1. Harakat Inqelab Islami Afghanistan
2. Hizbe Islami Afghanistan of Mawlawi Khalis

3. Jamiat Islami Afghanistan
4. Jabha Nejate Milli Afghanistan
5. Hezbe Islami Afghanistan of Gulbuddin Hikmatyar

announces that:

We consider this so called "National Council" as a treacherous plot and conspiracy of our Russian and other enemies. This gathering is against the wishes of the Mujahid nation of Afghanistan who aspire for the establishment of an Islamic system in Afghanistan under the leadership of Mujahid Muslim personalities. We consider this gathering as a plot and design for dividing the Muslims and preparing the grounds for the corrupt and criminal elements.

We believe that if the planners and organizers of this "council" had wanted unity, they could have joined the Unity that is already there. And if they were really interested in Islam, they would not have objected the Islamic Charter written down by respected Ulama (Islamic scholars). But the truth of the matter is that they are against unity and Islam both and their reason for organizing this gathering is to sabotage the Islamic Unity of Afghanistan Mujahideen.

The main purpose of the organizers of the "National Council" seems to be as following:

1. To change the course of our Islamic Jihad into tribal and nationalistic fighting and to introduce our struggle so to the world.
2. To creat distrust and division among the leadership of Jihad and among the ranks of the people.
3. To establish a nationlist or democratic regime in Afghanistan after Russian withdrawal of troops. (But we have seen the results of National Democratic regimes which have been more than 3 millions refugees, hundreds of thousands of martyrs and disabled persons, thousands of destroyed houses, and finally taking Afghanistan into the mouth of Russian imperialit red bear.
4. To bring to power the old corrupt criminal agents of imperialism instead of Islamic Ulama and committed Muslims.
5. To gaurantee the existance and safety of the communist elements (Parchamis, Khalqis, Afghan Milatis, Shulayees ... etc.) through certain political manoeuvres and negotiations.
6. To do a political trade on our Islamic Jihad by showing to the world that they--who have lived comfortably and safely in their houses, drunk liquars, spred prostitution and corruption among the people--are the leaders of Afghanistan: and not the Mujahideen who have sacrificed their lives, suffered all types of tortures, and been driven out of their homeland.

Hereby we inform all the Muslim brothers inside and outside Afghanistan not to be deceived by the plottings and conspiracies of the enemy and not to join such gatheringswhich are guided from outside and in the interest of imperialists. We also warn the unpatriotic organizers of this gathering that if they continue such discording actions, they will face a strong reaction of the Afghan Mujahid nation. We believe that such endeavours will never take the enemies to their ominous and evil targets.

The Islamic Unity of Afghanistan Mujahideen is the house of all Afghan people. The door of this Unity, which is the stronghold of truth, is wide open to each and every Mujahid Muslim. We are certain that Insha-Allah (God-Willing) this Unity will raise the banner of Islam with the shout of Allahu Akbar (God is Great) high in the sky in Afghanistan and will nulify all enemy conspiracies. Thus, it will enlighten the sight of Mujahid Muslims of Afghanistan and all the Muslims of the world by the triump of the Truth.
