The White House

Dear Mr President,

We very much appreciate the stand you are taking on the violations of human rights in China, the visit of the Secretary of State to discuss these matters officially with the Chinese leadership, and the attention this issue is receiving in the media internationally.

May I take this opportunity of sending with this letter a copy of some recent publications by Amnesty International concerning the current situation in Morocco and Tunisia. I hope that you will be able to intercede with these regimes for the release of political detainees and the cessation of torture and for respect of human rights, so that none can accuse your Administration of double standards.

With best wishes,

Yours sincerely,

Salem Azzam
Secretary General
