

60 Years of
enlightening lives

THE WORLD COMMUNITY SERVICE CENTRE

The World Community Service Centre founded by Shri Vethathiri Maharishi, in 1958, is a multi-faceted organization that aims at inner transformation of the individual on all fronts – body, mind and soul.

WCSC is a **multilayered transformation** process which begins with an individual, spreading and percolating through stages of family, society and ultimately to the whole World.

NGO aiming for World Peace through Individual Peace

International presence in 20 Countries around the World

Founder

The spirit behind WCSC are the principles enunciated by Founder, Shri Vethathiri Maharishi, through decades of introspection and research, systemized under a single name “**Simplified Kundalini Yoga (SKY)**”. He was a qualified practitioner in two systems **of Indian indigenous Medicine, Ayurveda and Siddha and certified practitioner in Homeopathy.**

He has authored over 70 books in English and Tamil. **World Peace, Yoga for Modern Age, Logical Solutions for the Problems of Humanity and Vethathirium** are some of his books which provide revolutionary and practical solutions for achieving World Peace.

Founder’s VISION Simple, scientific, practical and logical methods for transformation of humanity from grassroots.

WCSC President

Vethathiri Maharishi entrusted WCSC to Shri.SKM.Maeilanandhan. An entrepreneur by profession, Shri SKM has received the distinguished Padmashri Award for his service to the society. Under his able guidance and leadership, WCSC continues to fulfill the founder's vision.

UNO & WCSC- The goals and objectives of WCSC are aligned with the current core focus of United Nations Organisation towards achieving sustainable development.

Transformed 4 million lives globally through 400 trusts and 2000 centres

Temple of Consciousness, Aliyar, Coimbatore, India

Decked under the enchanting peaks of Vaalparai, (Near Coimbatore, India) the sprawling 38 acres Ashram campus is cradled in arms of nature. The picture-perfect campus serves with modern technology and infrastructure to the residential needs of the member.

Aptly called, The Temple of Consciousness, it was constructed in the year 1990 where Maharishi was residing and serving humanity till he attained 'Maha Samadhi' on 28th March, 2006 at the age of 96.

Our Vision

Vethathiri Maharishi steered an exploratory research on himself for twelve years before bringing the time-honoured practices out for the masses.

Vethathiri Maharishi's SKY Yoga is an antidote for all mind and body related

WORLD PEACE

Vethathirum a path for individual, organisational, social, cultural, economic and global transformation.

problems. With its simple, comprehensive, scientific and practical methods, it caters to all ages, and has been tailor-made in contemporary style.

WCSC through innovative, structured and philanthropic endeavors achieves its objectives selflessly serving the global society as envisioned by the Founder.

1. Simplified Kundalini Yoga (SKY) – Physical Health, Mental Health and Longevity

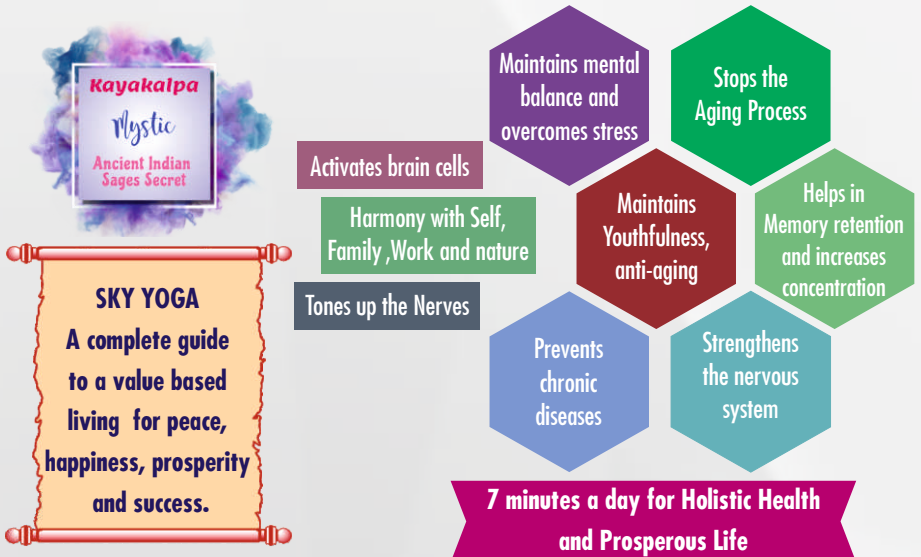

Achieve Success through SKY Beat Stress and enjoy everlasting happiness Contribute towards rural and social revolution

2. Kayakalpa - The Elixir of Everlasting Youth

Kayakalpa Yoga, a powerful practice devised by the ancient sages of South India, called “Siddhas”, was simplified by Vethathiri Maharishi

Tenets of Successful, peaceful and prosperous life

after two decades of research and gifted to Humanity. He unravelled the secrets of Anti-Ageing, improving immune system and having robust physical and Mental Health.

3. Village Service Project (VSP) – Mass transformation @ Grassroots: VSP is one of the main projects which reflect the vision and ideology of WCSC founder Shri Vethathiri Maharishi. The objective of the VSP program is to bring about sustainable social development in rural areas by promoting spiritual education through SKY, preventive health care, rural sanitation, empowering women, enhancing vocational skills for rural children, conducting counselling sessions for rural people, conducting alcohol/drugs deaddiction camps resulting in good health, stable mental health and overall personal development of the villagers.

Phenomenal Transformation of 160 Villages and 50,000 villagers

4. Women Empowerment: Women's International Spiritual Educational (WISE) Trust provides successful training courses and SKY practices to many rural women. It also provides vocational trainings approved by the Government. Over 70% of the teachers of SKY are women from lower economic strata and they are changing the lives of several people.

Empowering women economically. Making them stronger mentally, physically and socially.

5. Education through VISION (Vethathiri Maharishi Institute for Spiritual and Intuitional Education): WCSC has experience of Yoga Education for more than 60 years. VISION for Wisdom is South

India's leading Yoga and Spiritual Education Institute imparting education from Certificate to PhD. levels.

30 MOU's signed with Universities in India, 1 abroad. 150,000 plus learners

6. Vethathiri Maharishi College of Yoga, has been started in 2017 to fulfil Vethathiri Maharishi's vision for creating a cultural transformation.

7. Youth Empowerment: Specialised programs for developing and empowering the Youth/Students is formulated by VISION, the education wing of WCSC. Knowledge through SKY empowers youth to handle self, society, family and the world with character and confidence.

Vethathiri Maharishi college of Yoga, first of its kind in South India

8. Health Camp: An intensive 30 days residential camp in the sprawling campus of Aliyar, India. 45 camps successfully conducted. SKY system builds character, teaches virtuous way of living, changing the thought pattern and bringing about astonishing transformation in overall health

9. Students Camp: A summer retreat for students in the foothills of Aliyar for learning life transforming SKY practices which will help them shape their future and carve a path for virtuous and meaningful life.

10. Yoga Masters: In order to bring about peaceful revolution throughout the world, it is necessary to have well trained Volunteers in

great numbers. This is achieved through rigorous Master Training Programs by the Directorate of SMART (Selection of Masters and Training). More than 15000 Masters at various levels are serving the society across the world selflessly.

Ambassadors of World Peace 15,000 Masters

11. Research and Development: The R&D Wing of WCSC harnesses the power of the human intelligence to build a transformational society. It creates a unique symphony of Science and Spirituality.

23 Patents 80 papers published in research journals 281 scholars
