Professional Experience

Graphic Designer at Digital Media

October 2022 – September 2024

Responsible for the design of a dedicated media project, creating visual concepts, brand identities and graphics for documentary films and editorial content. Collaborated with an Art Director, editors and motion designers, coordinated a junior designer and managed day-to-day design execution

Key Results

- Developed the visual concept for a documentary series that reached 22M+ views
- Led the production of multiple custom photo shoots from planning to final assets
- Produced and adapted graphics for YouTube, Shorts and web on a daily basis

Freelance Graphic Designer

February 2021 – October 2022

Worked with long-term clients, creating marketplace visuals and promotional materials for Wildberries sellers

Graphic Designer at Printing Company

March 2021 – July 2021

Designed printed materials and prepared production-ready files

Freelance Graphic Designer

June 2019 – March 2021

Created print and outdoor advertising materials for small businesses, including packaging for Shchekinoazot BH

Graphic Designer at Printing Company

September 2017 – June 2019

Designed printed materials and prepared production-ready files

Graphic Designer at Outdoor Advertising

August 2016 – August 2017

Designed outdoor advertising and large-format graphics. Prepared files for production
